

A Request to the Residents of Tokyo with Regards COVID-19

- Basic measures have been lifted in Tokyo.
- The situation will become dangerous if the number of Covid-19 cases starts to increase again.
- The rebound alert period is now in place in Tokyo.
It is important to prevent Covid-19 cases from increasing.
- This is a request for people to change their everyday lives in order to prevent the spread of Covid-19.

Period

From midnight March 22nd (Tuesday) to midnight April 24th (Sunday)

Request

People living in Tokyo

- Avoid going out at peak hours or to crowded areas.
- Avoid places that do not have windows or are poorly ventilated.
- Do not be close to other people when you talk, and do not speak in a loud voice.
- Keep your distance from other people.
- Wear a mask.
- Wash your hands many times per day.
- Be extra careful when coming and going to and from Tokyo for work or travel.
- Take a PCR test if you are worried you may have caught Covid-19.
